Brian:

Sorry for the delay. Went to LA for a week without access to my database. Attached is the information for CAFOs in Maryland. Remember, this does not include the MAFOs.

Ed, Tom and Gary,

It's approaching the middle of the Federal FY and we are in need of current info regarding MDE's general permits. You have been very helpful in the past at providing us with updates on the number of facilities covered by these permits. Please review the attached and provide to me by **Wednesday, March 27th**, any updates on permit issue and expiration dates as well as the number of facilities covered (authorizations). Thanks for your help.

Brian
